CANOVA

ROYAL

by Catalano

The Canova ROYAL Collection is a sanitary-ware family which expresses the renewed feeling of Catalano towards classic and harmonious outlines. It represents the updating of the historical Canova collection, designed for bathrooms with traditional atmosphere. Soft and elegant shapes, clearly inspired by the neoclassicism, determine a timeless and refined style. The value

of memory is the leading concept that drives this accurate restyling.

The collection is made up of a 90, 70 and 56 cm sized washbasins, suitable for wall-hung, floor stand, base cabinet or pedestal mounted installation, undermount washbasins and floor-standing toilets. The toilet seat features the innovative Soft-Close system.
